

## FROM THE SONS

Greetings to all

January 8, 2010

The Detachment has reached 47% membership as of yesterday. Our next target is 60% by January 13<sup>th</sup> so we have plenty to do. Districts 9, 10 and 16 have already reached this goal while Districts 3, 7 and 15 are close behind. So far squadrons 62 Westbrook, 31 Auburn and 49 Van Buren have reached 100% membership. I congratulate these squadrons for their accomplishment. National will be sending out the next renewal notice January 18<sup>th</sup>. Remember, 2010 dues are overdue. Membership is everyone's job so let's get them memberships paid and transmitted.

Mid-winter conference will be held in Farmington on Saturday, January 16<sup>th</sup> and I encourage all squadrons to pick a delegate and send him there. The Sons will convene at 9:00 AM in the Post 28 dining hall to conduct business. An agenda will be posted soon. Let's see a big turn out this year. Training classes on membership, programs and Legion Advisor seminar will be held in the afternoon upon request.

Vice Commander Brian Danforth's girlfriend, Robin is in the hospital with chest pains and shortness of breath. Let's all keep her in our prayers. Get well soon, Robin.

Yours in service.

Bruce Pierce, Detachment Commander.
